

Dear Families and Seniors,

As of today, we are planning to have our graduation as scheduled. It is very difficult to tell what will happen in the coming weeks and if we need to reschedule it for a later date, we will. It is important to stay up with your work. This temporary situation is not a vacation so let me encourage you to stay the course.

Our priority is that everyone stays well physically, finishes strong academically, and triumphs spiritually!

Here are some things that you need to know:

- I will be keeping regular hours in my office and am available by phone.
- You can still make appointments using the SETMORE Site for phone appointments
- Re-enrollment and Guidance Counseling are still available and can be done over Zoom, Facetime or by phone (407-688-4388). TEXT: 407-468-5055 if you need me to call you.

On-Campus Class Information

- On-campus classes are moving to a remote teaching format using Zoom and parents and students will be sent the details of how that will work as soon as our accounts are set up today.
- Classes will be taught in 'real time' following our regular schedule.
- Work can be turned in by scanning (or taking a photo) and uploading them to your teacher's Dropbox.
 - Dropboxes are being set up today and can be accessed through Praxi.

GRADUATION REQUIREMENTS Update

Off-Campus GRADES and ATTENDANCE

- If you are turning in grades for Quarter 3, you can drop them off at the office or scan and email them to me.
- It is important that you continue to keep your attendance records. Most of you are using Praxi, and a few of you are using our paper form. Please keep this up to date.
- All grades and completed attendance records **ARE REQUIRED for graduation.**

Standardized Testing (BASI, SAT ACT)

Our accrediting agency, FCCPSA, has waived all standardized testing as a requirement for graduation. You will not need to schedule a test in order to complete your senior year.

Community Service

TRA will take however many hours you have earned as of today's date (3-20-2020) as fulfillment for high school graduation.

Stay healthy and strong. Encourage one another in the Lord. Rejoice in today.

Mrs. Darnell
