

THE ROCK ACADEMY
Empowering Parents to Direct their Children's Education

FOUNDATIONAL DOCUMENTS

Statement of Faith We believe the Bible in its entirety and that God is the creator of all things. We believe that Jesus Christ is God's Son, that salvation is in Him alone and that He is the restorer of all things. We believe that Holy Spirit is the infinite wisdom of God working in us to fulfill God's purpose and will. We believe in the gifts of The Spirit.

In all we do, we strive to be a demonstration of God's glory in the earth. We believe that God continually reveals Himself to us as we hear and obey, walking out our salvation daily.

Family We believe that families are ordained by God to fulfill His purpose and provide the model for church operation. For married couples, singles, single parents and young and old alike, the church provides a family structure with order, affirmation, discipline and friendship. We believe that marriage is a precious institution designed by God and exists between one man and one woman and according to scripture their home was designed to be the place where children are raised and nurtured.

Philosophy of Education We believe that parents are responsible for the academic, moral, and spiritual training of their children. This does not mean that every parent will educate at home. Parents may choose to partner with public, private, or home-based institutions to reach their goals concerning their children. We believe in Deuteronomy 6:6-9

"These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."

In other words, the statutes of the Lord are to be a part of our lives and we are to impart them to our children in the course of our daily lives.

We believe that the instruction of children occurs within the relationships that begin at home. We also believe that a child's first and best teachers are his parents.

Academic Philosophy We believe that the reason we are educated is to fulfill our purpose in the earth in whatever vocation the Lord has planned. There are many 'pulpits' from church platforms to medicine to truck driving and our Father has need of skilled Kingdom people in all of them. We will strive to challenge each student to meet the appropriate benchmarks in each subject, to accomplish the highest academic level possible and to prepare them for college and/or career.
