Expectations

Course Overview

You may expect the Teacher to:

- **To be punctual**
- **Provide a positive space for discussion and growth**
- **Reply quickly to inquiries of parents and students**

I will expect the Parents to:

- Check grades on FACTS every week to see how their child is doing! This is IMPERATIVE. You will need to check this often to make sure your child is getting good grades and to communicate with me.
- The discussions in class may touch on sensitive subjects depending on the students questions and dialogue. I will be sure to keep student conversation appropriate and I will always direct students back to their parents' guidance. I only want to reflect what Scripture teaches on subjects such as afterlife, sexuality, sin, and other moral and spiritual topics.
- If there is ever an issue, please reach out to me.

I will expect the Student to:

- Participate in class discussions.
- Ask questions!
- Finish any reading assignments and be ready to talk about what was read.
- Have Fun!
